

# Seal your Christmas with a Smile.

(or, how \$2.00 and six empty Smile Sugarfree gum packs can personalize your holiday mail and gifts.)

Smile Sugarfree Gum will send you a sheet of 100 personalized photostamps from any black-and-white or color snapshot you send us.

Imagine it. Postage stamp-sized pictures of your wife, kids, grandchildren, or loved ones, smiling out from your Christmas cards or gifts.

For best reproduction, send black-and-white close-up snapshots, but color close-ups will also reproduce nicely (in black and white).

You'll find Smile at your favorite store. And you'll like Smile because it's sugarfree and won't cause cavities. Even more, your kids will like it because Smile doesn't taste like it won't cause cavities.
